

# Shall We Dance? Part 2

- | Across |                                | Down |  |
|--------|--------------------------------|------|--|
| 1      | intellectual                   | 2    | difficult to understand                |
| 4      | always the same                | 3    | to be unsure or weak                   |
| 6      | strict or severe in discipline | 5    | overly eager in offering unwanted help |
| 10     | to suggest subtly; to hint     | 7    | to waste                               |
| 12     | to hold back; to restrict      | 8    | exactly relevant                       |
| 15     | inborn                         | 9    | an unexpected difference               |
| 17     | kept or done in secret         | 11   | impulsive, fanciful                    |
| 18     | great hardship                 | 13   | the quality of being proper            |
| 19     | to be similar; to adapt        | 14   | continuing forever or indefinitely     |
| 20     | outstanding; distinguished     | 16   | to excuse or overlook                  |
