Our advisor made the difference in my son, Jack, getting in Early Decision to Syracuse University's Newhouse School of Public Communications-one of the most well regarded Digital and Broadcast Journalism programs in the country. She had amazing insight into the admissions process, and she brainstormed with him regarding essay topics. His final essay was brilliant, insightful, and humorous!

What Our Families Say

Our advisor was an amazing guide who helped my daughter focus and streamline her supplements and essays. Applying to college is nerve-racking enough, but with her expertise and calming ways she was always there to support and guide my daughter. Now she will be attending her dream college, Rice University, School of Architecture!
